I. GENERAL INFORMATION

The Lake Region Arts Council Fellowship Grant program provides deserving artists with significant financial support that enables them to further their work and their contribution to their communities.

It is intended to recognize, reward and encourage outstanding individual artists in the region.

The LRAC Fellowship program provides one award each year for \$5,000.

Among the qualities sought in a Fellow are:

Strong vision, creative energy, importance to a local culture, and perseverance.

A professional artist i.e. is someone working independently who can demonstrate that the creation of art is a primary endeavor.

Can exhibit and document prominent artistic achievement.

A Fellowship can support a broad range of study or activities, including exploration of new directions, continuation of work already in progress, or accomplishment of work not financially feasible otherwise.

A Fellow may choose:

- to take time for solitary work or reflection,
- to engage in collaborative or community projects,
- to embark on travel or research, or
- to pursue any other activity that contributes to their life as an artist.

Fellowship candidates propose a fellowship plan in only one art discipline that lasts up to twelve months from the date of award notification.

Fellowships may be awarded in the visual or music and literary or performing arts.

For the May 5, 2022 deadline, applications will be accepted from Music and Visual Arts disciplines.

LRAC offers a series of instructional videos to assist with common application questions for the Fellowship Grant. These Fellowship Grant Writing Videos may be viewed at any time and are available on the LRAC4.org website under the Grants heading, Tips Sheet and Webinar page.

To be eligible for funding, the Fellowship grant applicant must meet the applicant and plan eligibility criteria.

IV. GRANT PROCESS

Grant Review

If the number of applications warrants it, applications are reviewed by a LRAC review panel prior to the grant review meeting. Applications recommended by the review panels will be submitted to the full LRAC for funding decisions.

All the artist work samples are reviewed by the LRAC Board prior to the grant review.

At the LRAC grant review meeting, grant applications are reviewed in the same order in which they were submitted online.

LRAC Board, review panels, and staff observe strict procedures to prevent any conflict of interest in the processing, review and selection of grant awards. The full Conflict of Interest Policy can be viewed at www.LRAC4.org/grant-management or by contacting the LRAC office.

Steps 1 & 2

The LRAC Board determines the eligibility of the application, based on both applicant eligibility and Fellowship Plan eligibility.

A complete and accurate application is required in order to be an eligible applicant. This includes the following:

- Resume or bio
- Two letters of recommendations from professionals in your field
- Resumes for your letters of recommendation (short version only)
- Work Samples (from within the last five years of your career)

Any ineligible applications will be eliminated from further consideration.

Step 3.

Through majority vote, the LRAC Board determines whether the grant application will be eligible for funded or denied funding.

Step 4

The LRAC Board will use a ranking process for all applicants that have been declared eligible in Steps, 1, 2, and 3.

Each eligible grant application is considered according to the Review Criteria on Page 5, Section V.

Each approved grant application will be ranked by assigning a numerical score to each Review Criteria. The Fellowship is awarded to the applicant with the highest overall score. *An application must have an average score of at least 65% to be approved for funding.

If two grant applications receive identical rankings, the application with the earliest submission date will be given priority.

Notification Process

The Fellowship recipient will be notified by phone the following day.

The Fellowship artist will complete a Grant Contract, W-9, and the Request for Payment form.

All other applicants will receive a letter within two weeks of the decision.

Applicants wishing to know the funding decision after the LRAC Grant Review are welcome to call the LRAC office later in the week, (Friday) for the results of the Grant review.

The content, accuracy and completeness of an application are solely the responsibility of the applicant.

V. REVIEW CRITERIA

Applicants are evaluated and selected based on the quality of their work as evidenced in submitted materials, most importantly work samples. Distinctive artistic voice, exceptional artistic merit and the content of the artist statement will be considered during the selection process.

Consideration is given to accomplishments to date as well as promise for continued development and the impact the fellowship will have on the artist and/or their communities.

Fellowship requests will be reviewed on the basis of the following criteria:

- Artistic Skills
- Artistic Creativity
- Artistic Originality
- Work samples
- Artistic Commitment

The LRAC Board is an 18 member board, comprised of two people from each of the nine LRAC counties.

A board member that declares a conflict of interest for an applicant will not rank the application.

Refer to the Ranking Procedure listed on Page 4 for complete details of the process for determining the Fellowship Grant Awardee.

Each application will be ranked on a scale of 1 to 5 for in each of the 5 criteria given on the left by the LRAC Board.

A maximum of 5 points in each of the 5 criteria is possible, for a perfect score of 25 points.
